

Visualization Matching Game

R.No: 7    Reg. No: 192324234    Name: BOGU MALLIKA

Each chart on the left (A-J) matches exactly one description on the right (1-10). Write the matching number next to each letter's blank.

|    |                                                                                     |                                                                          |
|----|-------------------------------------------------------------------------------------|--------------------------------------------------------------------------|
| A. |    | 1. J____<br>Shows the relationship between two continuous variables      |
| B. |    | 2. G____<br>Shows part-to-whole composition across categories            |
| C. |    | 3. D____<br>Shows magnitude across two categories using color intensity  |
| D. |    | 4. H____<br>Shows three variables at once using position and size        |
| E. |   | 5. I____<br>Shows the distribution of a single continuous variable       |
| F. |  | 6. A____<br>Compares distributions across groups and highlights outliers |
| G. |  | 7. C____<br>Shows how a cumulative total changes over time               |
| H. |  | 8. E____<br>Compares amounts across separate categories                  |
| I. |  | 9. F____<br>Shows how a value changes over time                          |
| J. |  | 10. B____<br>Shows how parts contribute to a whole                       |
